USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR FRANKLIN VOLUNTEER FIRE DEPARTMENT

Franklin, Texas, July 7, 2003 – Bryan Daniel, Texas State Director, Texas USDA Rural Development announced today that the Franklin Volunteer Fire Department has received a $200,000 loan and grant through the agency's Community Facilities loan program. The effort is part of USDA's Rural Development's national program to help provide rural areas build and enhance essential community facilities.

"USDA Rural Development's Community Facilities program helps rural communities keep pace with the needs of their rising populations," said Daniel. "Rural Residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents."

The funds will be used for the construction of new fire stations and community room.

In fiscal year 2002, a total of $12 million in direct and guaranteed loans were obligated. Community Facilities loan funds may be used to construct, enlarge, or improve community facilities for health care, public safety, and public services. These loans and grants are made to public entities and non-profit organizations. Examples of eligible projects include rural healthcare clinics, town halls, fire trucks, county safety equipment, jaws of life, early warning systems, community centers, libraries, day care centers, and schools.
