

PART 1925 - TAXES

Subpart A - Real Estate Tax Servicing

§ 1925.1 General.

This Instruction applies to borrowers with a Rural Rental Housing (RRH), Rural Cooperative Housing (RCH), Labor Housing (LH), and Non-Program (NP) loans secured by real estate. It also applies to Section 502 and Section 504 Rural Housing borrowers (Single Family Housing (SFH)) who also have a Farmer Program loan. It does not apply to borrowers who have a SFH loan only; those will be serviced under 7 CFR part 3550. Borrowers are responsible for paying taxes on the real estate security to the proper taxing authorities before taxes become delinquent. This obligation is set forth in the security instrument securing the loan. This subpart is inapplicable to Farm Service Agency, Farm Loan Programs. (Revised 01-09-08, PN 417.)

§ 1925.2 Definition of tax.

For the purpose of this Instruction, the word "tax" means all taxes, assessments, levies, irrigation and water charges or other similar obligations which are or will, on nonpayment, become a lien upon the real estate prior to the mortgage securing the Agency loan.

§ 1925.3 Servicing taxes.

(a) The County Supervisor will be responsible for ascertaining that all mortgaged real estate is listed properly for tax purposes.

(b) The County Supervisor is responsible for taking all actions in connection with taxes as may be necessary to protect the Government's security interests. Any unusual situations that may arise with respect to tax servicing should be referred to the State Office for consideration.

(c) The County Supervisor will encourage each borrower to pay taxes promptly in order to avoid any penalties. Normally, this can be accomplished through routine servicing of loans by emphasizing the advantages of setting aside sufficient income to meet tax obligations when they become due. Taxes will be adequately budgeted for those borrowers with whom Form RD 431-2, "Farm and Home Plan," is developed. Each borrower will be encouraged to notify the County Supervisor when he has paid his taxes. After the delinquent date it will be necessary for the County Supervisor to determine the borrowers whose taxes are delinquent. The Multi-Family Housing Information System (MFIS) will be used in posting servicing actions on delinquent taxes.

§ 1925.4 Servicing delinquent taxes.

(a) The Local Manager will contact each borrower with a delinquent tax and make every practical effort to have him pay the tax with his own funds. He will use the Management System Card for follow-up of delinquent taxes. If the delinquent tax is not paid and the borrower comes to the office with proceeds for application on the Agency account secured by the real estate, the Local Office personnel will endeavor to get the borrower to use the proceeds to pay the delinquent tax. If the amount of the delinquent tax is less than the amount of the proposed payment, the difference will be applied on the Agency account in accordance with the policy outlined in subpart A of part 1951 of this chapter.

(b) Prior (usually about 90 days) to the time it is legally possible for action to be taken that will cause the borrower to lose title or right of possessions of the security property or the use of essential water, the Local Manager will contact the borrower and definitely determine if he will pay the delinquent tax immediately. If the borrower is unable or unwilling to pay the delinquent tax with his own funds after every appropriate effort has been made to have him to do so, the Local Manager will refer to RD Instruction 2024-A and enter the action in the Foundation Financial Information System to pay the amount of the delinquent taxes plus the amount of any accrued penalty to bring taxes current.

(1) In an exceptional case where reasons for delinquent taxes have been removed and planned income during the next year covers payment of current obligations plus delinquent taxes not vouchered, only the delinquent taxes will be paid that could cause the borrower to lose title or right of possession of security property.

(2) If the Government is holding a mortgage other than a first mortgage on the property, do not initiate payment request until the Local Manager has determined that (a) the prior lien holder will not pay the delinquent tax, (b) the Government's security will be jeopardized if the delinquent tax is not paid, and (c) the value of the security is sufficient to justify the advance.
