RURAL DEVELOPMENT ASSISTS CRAIG

Craig, Neb., May 19, 2008— The Village of Craig received a \$2,170 grant from the United States Department of Agriculture (USDA) Rural Development to purchase a battery backup for their early warning siren. The battery backup will afford greater protection to the more than 240 residents of the Village.

“The USDA Rural Development grant will help us to update and enhance our existing early warning siren. I would like to thank the Craig Fire and Rescue Association and the Craig Fire Protection District who donated money to help with the total cost of this project,” stated Jeremiah Johansen, trustee with the Village of Craig.

USDA Rural Development funding provided through the Community Facility Grant program.
