Puerto Rico—Rural Housing Service

# Community Building

## USDA Funds Will Improve Education in Aguada Community

### Outline of Need:

This Child Care Center needed one vehicle of fifteen passenger to provide transportation services to the children, replace the existing playground area and renovate the office cabinet. ABC Infantil, Inc. provides educational and day care services to students from pre-kinder to kinder.

### How Rural Development Helped:

Rural Development provided a grant of \$50,000 and the applicant contribute \$20,000 of their own money. The project has a total cost of \$70,000.

This non-profit was unable to obtain at reasonable rates and terms from private sources, nor able to finance this project from its own resources.
