B&B Mart Approved For Federal Energy Grant

Morgantown, WV – June 8, 2010: State Director **Bobby Lewis** announces that **Rural Development** approved a Rural Energy for America Program Grant in the amount of \$35,000 for B&B Mart, Inc., Upshur County, WV.

Rural Development funds, leveraged with other funding, will be used to assist farmers, ranchers, and rural small businesses in developing renewable energy systems, and in making energy-efficiency improvements to their operations.

“This project will assist this rural small business with the purchase and installation of more efficient lighting and equipment,” explained Lewis. “As a result of these improvements, a reduction of 121,428 kWh/year will be realized.”

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
