Wastewater System Improvements “Pour In” For the City of Spencer

Morgantown, WV – May 26, 2010: State Director **Bobby Lewis** announces that **USDA Rural Development** approved a Water and Waste Disposal Loan of \$2,210,000 and Grant of \$640,000 for the City of Spencer, Roane County, WV.

Rural Development funds will be used to make various improvements to the City’s existing wastewater system including the evaluation and correction of excessive inflow and infiltration, improvements to the treatment facility, and replacement of equipment. The replacement of 3,000 feet of obsolete sewer line is also proposed.

“This project will benefit approximately 1,566 existing customers of the system,” added Lewis. “This is a prime example of a project that exemplifies Rural Development’s mission to increase economic opportunity and improve the quality of life for all rural Americans.”

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
