Lavalette PSD Approved For Water & Waste Grant

Morgantown, WV – April 20, 2010: State Director **Bobby Lewis** announces that **USDA Rural Development** approved a Water and Waste Disposal Grant in the amount of \$1,300,000 for Lavalette Public Service District, Wayne County, WV.

“This project will bring service to approximately 198 additional residents in southeastern Wayne County who are currently without a safe and reliable source of water,” stated Lewis. “They currently depend on wells that typically are unreliable.”

Construction will involve 118,000 feet of waterline, several fire hydrants, and one booster pump station. This grant is a subsequent funding commitment to cover a funding shortfall with the project.

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
