## Logan County PSD Approved To Receive Rural Development Funding

**Morgantown, WV – July 28, 2011:** State Director **Bobby Lewis** announces that **USDA Rural Development** approved a Water and Waste Disposal Loan of \$1,321,000 and a Grant of \$789,000 for Logan County Public Service District, Logan County, WV.

Rural Development funds will be used to provide public water service to approximately 192 additional households that are currently without a safe and reliable source of water. Construction will consist of 97,400 feet of waterline, one booster station, one water storage tank and 50 fire hydrants.

“This project is needed to resolve water quality and quantity issues that are currently affecting the area,” added Lewis. “This is one more project that helps us meet our mission – *To Increase Economic Opportunity and Improve the Quality of Life for all Rural Americans.*”

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
