Logan County PSD Approved For Water & Waste Funding

Morgantown, WV – June 16, 2010: State Director **Bobby Lewis** announces that **Rural Development** approved a Water and Waste Disposal Loan of \$600,000 and Grant of \$860,000 for Logan County Public Service District, Logan County, WV.

Rural Development funds, leveraged with other funding sources, will be used to extend public water service to approximately 87 residential and small commercial customers in the Logan and Lincoln County communities of Marsh Fork, Striker Fork, West Fork Road, Piney Fork, Barker Hollow and surrounding areas.

“This project exemplifies our mission to improve the quality of life for rural Americans,” stated Lewis. “Residents in these areas are currently without a safe and reliable source of water.”

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
