Lubeck PSD Approved For Water & Waste Funding

Morgantown, WV – June 30, 2010: State Director **Bobby Lewis** announces that **Rural Development** approved a Water and Waste Disposal Loan of \$207,000 and Grant of \$207,000 for Lubeck Public Service District, Wood County, WV.

Rural Development funds will be used to extend public water service to approximately 135 additional households within the Wadesville area of Wood County.

“This project exemplifies our mission to improve the quality of life for rural Americans,” stated Lewis. “Residents within the project area currently rely on wells that are subject to low water yields and bacterial contamination.”

Construction will consist of approximately 99,500 feet of waterline and necessary accessories. This is a subsequent loan and grant to complete a total Rural Development funding package of \$3,711,500.

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
