Wood County's Central Boaz PSD Approved For Water & Waste Funds

Morgantown, WV – January 5, 2009: State Director **Rick E. Rice** announces that **Rural Development** approved a Water and Waste Disposal Direct Loan in the amount of \$1,400,000 for Central Boaz Public Service District, Wood County, WV.

Rural Development funds will be used to make miscellaneous improvements to the District's water system. These will include the construction of approximately 3 miles of waterline, one new water storage tank, new fire hydrants, booster station modifications, and an automated meter reading system.

"These changes will make the system more efficient and reliable," stated Rice. "It will also provide much needed fire protection for the District's 607 water customers."

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
