Putnam PSD Approved For Water & Waste Funds

Morgantown, WV – January 5, 2009: State Director **Rick E. Rice** announces that **Rural Development** approved a Water and Waste Disposal Direct Loan in the amount of \$3,557,500 for Putnam Public Service District, Putnam County, WV.

Rural Development funds will be used to construct three concrete basins, each with a capacity of 1.5 million gallons per day (MGD). With these units in place, the District will be able to produce its rated water capacity of 3.0 MGD even when one of the units is down for cleaning.

“This project will benefit the District’s 8,500 current water customers,” added Rice.

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its housing, business/cooperative, community and infrastructure programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
