

Part 2006 - MANAGEMENT

Subpart G - Designation of Acting Officials

2006.302(b)(1) Authorities

To provide for the executive direction of the North Dakota Rural Development when the State Director is absent or unable to perform the duties of the position, the Administrative Programs Director, Rural Development, is designated to serve as Acting State Director.

When both the State Director and Administrative Programs Director are absent or unable to perform their duties, the Program Directors are designated to perform all functions assigned by law or delegated to the State Director and to serve as Acting State Director in the following order:

1. Rural Development Programs Director
2. Rural Housing Service Programs Director

If all of the above mentioned employees are absent or unable to perform their duties, an Acting State Director will be designated in writing.
