Rural Development Finances \$1.9 Million Fayette County Court House Renovations

COLUMBUS, OHIO, Aug. 22, 2007 – Randall Hunt, state director for USDA Rural Development announced today approval of a \$1,900,000 financing package to Fayette County, Ohio. The funding is from Rural Development's Community Facility Loan and Grant Program and will be used to finance renovations and preservation of the Fayette County Courthouse.

"We've worked with Fayette County leadership on other projects that improved community services and this new collaboration helps strengthen our partnership," said Hunt

The Community Facility Program uses grants and loans to help communities develop essential facilities for public use. These facilities include libraries, childcare, hospitals, medical clinics, assisted living facilities, fire and rescue stations, police stations, community centers, public buildings and transportation.
