

We provide our rural neighbors shelter after the storm.

LaCari Mosley offers hope in the wake of disaster. Working as the USDA Rural Development specialist for all Multi-Family Housing (MFH) programs in southern Mississippi, he led efforts to make vacant units available to Hurricane Katrina evacuees. Mosley teamed up with USDA Rural Development offices in every state, as well as the national office, to create and publicize the list of vacancies available across the country. A total of 799 families were successfully relocated to secure housing. Mosley responds to communities in crisis with care and expediency.
