SUBJECT: Evidence of Significant Community Support for Essential Community  
Facilities Projects

**PURPOSE/INTENDED OUTCOME:**

This Administrative Notice (AN) continues the requirement to obtain certificates of community support as stated in section 381I, of the Consolidated Farm and Rural Development Act (CONACT), (7 U.S.C. 2009h).

**COMPARISON WITH PREVIOUS AN:**

This AN replaces RD AN 4357 (1942-A, 3570-B, and 3575-A), dated April 23, 2008, which expired April 30, 2009.

**IMPLEMENTATION RESPONSIBILITIES:**

As part of the application process, section 381I of the CONACT requires evidence of significant community support in the form of a certification of support for each project or facility from any affected local government body. The certificate is required for all Community Facilities guaranteed loans, direct loans, and grants.

The certificate of support should include sufficient information to determine that a community facility will provide needed services to the community and will have no adverse impact on other community facilities providing similar services. The organization is required to provide sufficient information to affected local governments as may be needed to obtain the certificate of support.
