

Interested in multi-family housing preservation for RD properties?

Seeking more information to transfer your RD property?

Looking to acquire a Rural Development property?

Not sure about other funding resources that might be available?

Come hear what representatives from the Rural Development National office have to say about the Multi-Family Housing Preservation and Revitalization (MPR) Program as well as the transfer/assumption process. Also learn how housing preservation is impacting our nation's affordable housing stock and how Rural Development's MPR program is working to keep RD properties healthy and affordable.
