Rural Development Texas AN No. 528 (3550)

February 9, 2000

SUBJECT: Section 502 Eligible Rural Areas with Population Between 10,000-20,000

TO: All Offices  
Rural Development, Texas

PURPOSE/INTENDED OUTCOME: The purpose of this Texas Administrative Notice (AN) is to identify eligible rural areas with populations between 10,000 and 20,000.

COMPARISON WITH PREVIOUS AN: There are no previous ANs on this subject.

IMPLEMENTATION RESPONSIBILITIES: In addition to other eligible rural areas, Field Offices are responsible for providing housing assistance in the towns listed on the attached Exhibit A.

In Chapter 5 of HB-1-3550 (Field Office Handbook) the definition of a rural area includes any area that is not contained within a Metropolitan Statistical Area (MSA) and has a serious lack of mortgage credit with a population between 10,000 and 20,000. Attachment A of this AN lists towns in Texas that meet the rural area requirements of HB-1-3550 (5.3). Leveraged Lenders and applicants should be made aware that these towns are eligible rural areas for the 502 loan program.

Please contact Scooter Brochette or Leon Carey in the Single Family Housing Section if you have any questions.
