### **USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR PALMVIEW ECONOMIC DEVELOPMENT CORPORATION**

**Edinburg, Texas, August 6, 2003**--USDA Rural Development State Director, Bryan Daniel, announced that the Palmview Economic Development Corporation received a \$195,000 grant to set up a revolving loan fund. The Palmview Economic Development Corporation was awarded the funds through the Rural Business Enterprise Grant (RBEG) program, which specifically targets small businesses that do not meet the requirements for other loan programs.

“The injection of funds will be used to establish a revolving loan fund designed to finance the establishment or expansion of small businesses within the city of Palmview,” said Daniel. “I am very pleased that USDA Texas Rural Development is able to assist in these areas.”

Potential businesses in rural communities interested in the RBEG program must employ 50 or fewer new employees; have less than \$1million in projected gross revenue; have or will utilize technological innovations or commercialize new products that can be produced or manufactured in rural areas; or have new processes that can be used in such production. Public bodies and not-for-profit entities including Federally recognized Indian Tribes located in rural areas or in communities under 50,000 population are eligible. Priority is given to applicants from communities of 25,000 or less.
