USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR HEART OF TEXAS CHIROPRACTIC, INC.

Killeen, Texas, March 9, 2004 –USDA Rural Development, State Director, Bryan Daniel, announced today that Heart of Texas Chiropractic, Inc. received a \$300,000 Rural Business-Cooperative Service Business and Industry Guaranteed loan. USDA Rural Development is charged with assisting rural communities by administering programs targeted to strengthening the economy and infrastructure of rural areas.

“We are pleased to fund this project in Marlin,” said Daniel. “One of our goals is to provide access to credit for rural businesses that will bring new jobs to the area for local residents. We are proud that Rural Development programs play a role in President Bush’s plan to increase jobs which will continue the growth of the economy. This loan will help Marlin and the surrounding area to become a viable economic community in Falls County.”

USDA Rural Development funds will be used to purchase the current building that is being leased, for use as a chiropractic clinic. The loan will save 5 jobs and create 1 new job in the Marlin, Texas area.
