**KERRVILLE, Texas, June 22, 2004** –USDA Rural Development, State Director, Bryan Daniel, announced today that Koyote Ranch-Bandera Unit L.P. received a \$3,780,000 Business and Industry Guaranteed loan. USDA Rural Development is charged with assisting rural communities by administering programs targeted to strengthening the economy and infrastructure of rural areas.

“We are pleased to fund this project near Kerrville,” said Daniel. “One of our goals is to provide access to credit for rural businesses that will bring new jobs to the area for local residents. We are proud that USDA Rural Development programs play a role in President Bush’s plan to increase jobs which will continue the growth of the economy. This loan will help Kerrville and the surrounding area to provide economic opportunities in Kerr and Bandera Counties.”

USDA Rural Development funds will be used to develop a recreational vehicle park. This project will create approximately 14 jobs.
