USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR LINGLEVILLE VOLUNTEER FIRE DEPARTMENT

LINGLEVILLE, TEXAS, August 19, 2004 – USDA Rural Development, State Director, Bryan Daniel, announced today that the Lingleville Volunteer Fire Department, received a \$55,000 Community Facilities loan. USDA Rural Development is charged with assisting rural communities by administering programs targeted to strengthening the economy and infrastructure of rural areas.

“USDA Rural Development’s Community Facilities program helps rural communities keep pace with the needs of their rising populations,” said Daniel. “Rural residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents.”

The funds will be used to construct a new fire station consisting of six overhead garage style doors at the front and back of each of the three bays to house fire-fighting equipment. Population served by the project is approximately 711.

In Fiscal Year 2003, a total of \$15.2 million in direct and guaranteed loans were obligated. Community Facilities loan funds may be used to construct, enlarge, or improve community facilities for health care, public safety, and public services. These loans and grants are made to public entities and non-profit organizations. Examples of eligible projects include rural healthcare clinics, town halls, fire trucks, county safety equipment, jaws of life, early warning systems, community centers, libraries, day care centers, and schools.
