USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR HACKBERRY CREEK CARE CENTER, INC.

MATADOR, TEXAS, August 20, 2004 – USDA Rural Development, State Director, Bryan Daniel, announced today that the Hackberry Creek Care Center, Inc., received a \$4,550,000 community facilities loan and grant. USDA Rural Development is charged with assisting rural communities by administering programs targeted to strengthening the economy and infrastructure of rural areas.

“USDA Rural Development’s Community Facilities program helps rural communities keep pace with the needs of their rising populations,” said Daniel. “Rural residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents.”

The funds will be used to construct a 50-bed health care facility with 26,000 square feet.

In Fiscal Year 2003, a total of \$15.2 million in direct and guaranteed loans were obligated. Community Facilities loan funds may be used to construct, enlarge, or improve community facilities for health care, public safety, and public services. These loans and grants are made to public entities and non-profit organizations. Examples of eligible projects include rural healthcare clinics, town halls, fire trucks, county safety equipment, jaws of life, early warning systems, community centers, libraries, day care centers, and schools.
