## USDA RURAL DEVELOPMENT ANNOUNCES GRANT FUNDING FOR ROLLING PLAINS MANAGEMENT CORPORATION

**CROWELL, TEXAS, September 18, 2006--** USDA Rural Development State Director, Bryan Daniel, today announced Rolling Plains Management Corporation has been awarded a \$47,168 Housing Preservation Grant (HPG) for multiple family housing units in Crowell, Texas. USDA Rural Development Housing Programs are designed to strengthen the economy and infrastructure of rural areas. Through its support of the growth and development of communities, the agency works to improve the quality of life in rural America.

“USDA Rural Development is very pleased to be able to provide housing rehabilitation funding for rural Texans,” said State Director, Bryan Daniel. “It is our goal to ensure rural residents are afforded an opportunity to live in decent housing that meets health and safety standards and provides the benefits of energy efficient features.”

USDA Rural Development funds will be used to rehabilitate 42 multiple family housing units in Crowell, Texas for applicants who qualify. The repairs will correct health and safety hazards and improve living conditions of the units. Priority will be given to very low income families, the elderly, and the disabled.

In Fiscal Year 2005, a total of \$637,982 in Housing Preservation Grants was obligated in Texas. The purpose of the HPG Program is to promote continued economic development in rural communities by making grants to sponsoring organizations for the repair or rehabilitation of low and very-low income housing. Grants are competitive and are made available in areas where there is a concentration of need.
