- Be a U.S. citizen or permanent resident.
- Personally occupy the dwelling.
- Have adequate and dependable income.
- Have a good credit history.
- Show adequate repayment ability for the loan request. The housing loan payment, real estate taxes and property insurance generally cannot exceed 29% of monthly gross income for very-low income applicants or 33% for low-income applicants. The total debt payments, including the housing costs, cannot exceed 41% of the applicant's gross income.
- Have adjusted household income that does not exceed the Rural Development limit listed on the attached Income Limits Worksheet.

ELIGIBLE LOAN PURPOSES

- New Construction must comply with accepted building codes.

- Refinance Real Estate debts of other lenders when circumstances beyond the applicant's control show payments cannot be maintained, or if significant improvements are necessary exceeding at least \$5,000.
- Closing costs can be included up to the appraised value of the property.

HOUSING REQUIREMENTS

- Home prices cannot exceed established Area Loan limits which are updated on an annual basis.
- Homes must be structurally sound and in good repair (repairs can be included in loan funds).
- Due to population, loans cannot be made in some areas. In New Hampshire: Concord, Derry, Dover, Hudson, Keene, Londonderry, Manchester, Merrimack, Nashua, Portsmouth, Rochester, Salem and parts of Goffstown and Hooksett are not eligible. In Vermont: Burlington, S. Burlington, Winooski, Essex Junction, and SE portion of Colchester are not eligible.

SITE REQUIREMENTS

- Lot must have a State and Community Acceptable on-site water and sewage disposal system, or be hooked up to municipal services. (Testing will be required on private systems).

- Finance furniture or other personal property.
- Finance camps, existing mobile homes, duplexes, and unusual design homes.

LOAN RATES AND TERMS

- These are fixed rate, 33 year mortgages with subsidy payments based on total household income. Although the note rate is fixed, the subsidized interest is reviewed each year for possible adjustments up or down depending on household income. Payment assistance (subsidy) could be as low as 1%.

SUBSIDY RECAPTURE

- The subsidized portion of your monthly payments will accrue as a separate account. This account is subject to being repaid or recaptured at the time you sell or transfer your property to another owner. The maximum amount that could ever be recaptured will never exceed 50% of your appreciation in the property after your USDA debts, selling expenses, and any prior liens are paid off. The value appreciation is based on the appraised value and/or sales price at the time you sell or refinance. This value excludes any of your original equity or any value that resulted from improvements that you made to the property. If you refinance, you have the option to defer the final amount of recapture due (no interest will accrue if you defer payment), or you may pay it off at a 25% discount.

HOME BUYER EDUCATION

Homebuyer education is a valuable and necessary tool in purchasing a home, and *is a requirement for obtaining a loan through Rural Development*. Statistics indicate that homebuyers that participate in homebuyer education classes are more prepared to become and remain successful homeowners.

Learn from experts at a class provided at minimal cost and familiarize yourself with the home buying process and home ownership. Classes are provided by certified instructors from non-profit agencies, lenders, credit unions, and other professionals such as home inspectors, appraisers, and credit specialists. A list of providers is attached and web sites provided for you to access class dates. Once you have completed a course, please provide us with a copy of your certification of completion. RD preference is for applicants to attend a class if they are available.

The following topics are typically covered in a home buyer workshop class:

- What are the Pros and Cons?
- Are you ready for home ownership?
- How much house can you afford?
- Understand your credit report and resolve credit issues
- Planning and Budgeting for home ownership
- Lending Programs; no down or down payment assistance options
- How to choose a real estate agent
- Tips on negotiating the sale
- Do you need a home inspection?
- What happens at closing?
- Future repairs and maintenance of your home
- What happens if I have financial problems after getting a loan?
